World Records for Horacio

*April 2 2004*

Horacio Miranda (Argentina) has had two world record claims ratified by the FAI. Flying a Standard Jantar 2 on December 1 from Chos Malal, Argentina, he gained the 15m Class 100km triangular speed record with 249.09km/h which had been held since May 7, 2000 by Jim Payne (USA) at 234.95km/h. This also gave him the Open Class 100km triangular speed record held briefly by Tom K. Serkowski (USA) with 243.40km/h on November 9.
